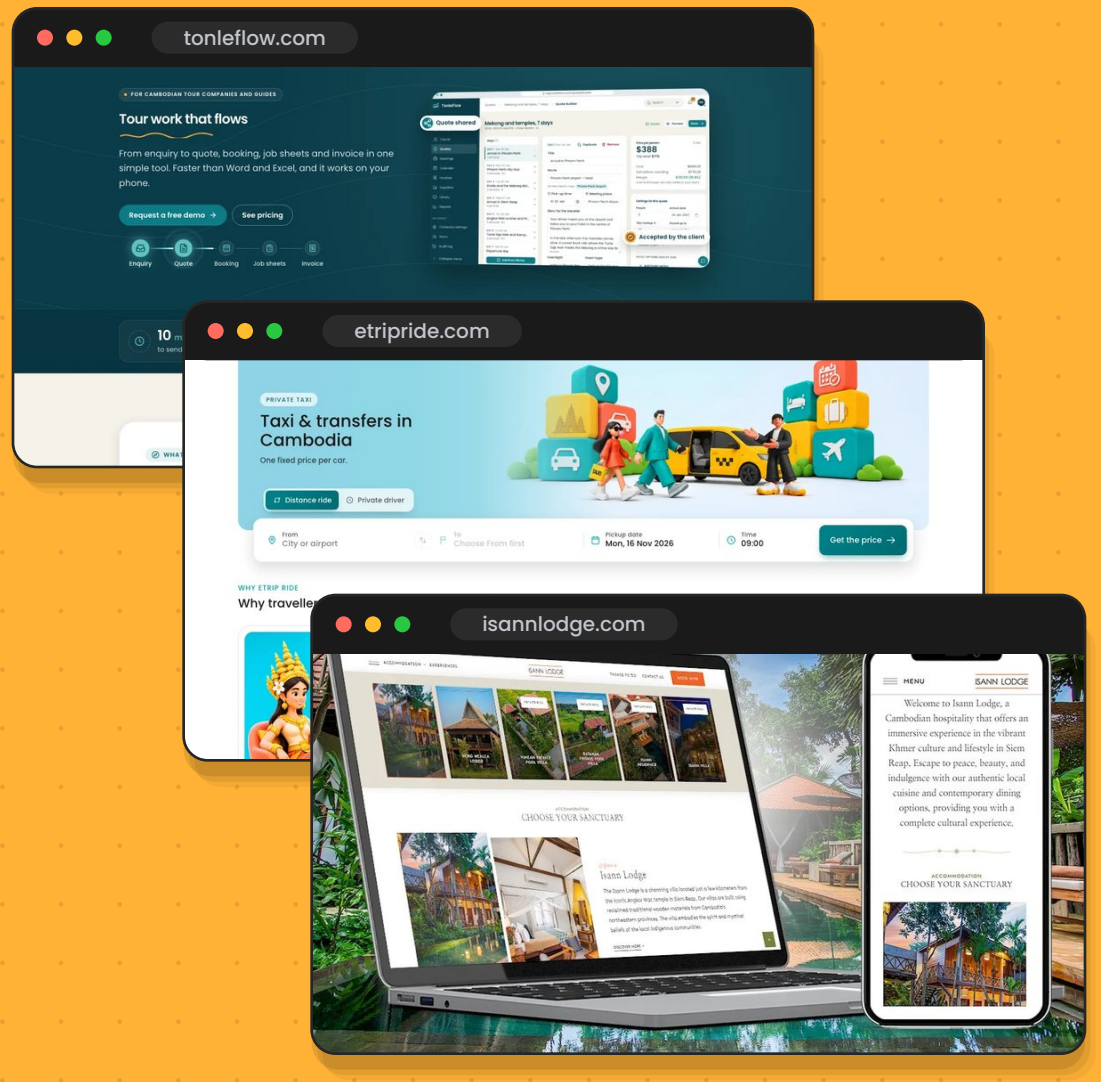
Build bold.
Grow online.

Convert visitors into customers.

Websites, mobile apps, hosting and digital marketing for hospitality and growing businesses in Cambodia.

21+	1,000+
years online	businesses served

VERSION 5 Updated November 2026 · www.angkordesign.com



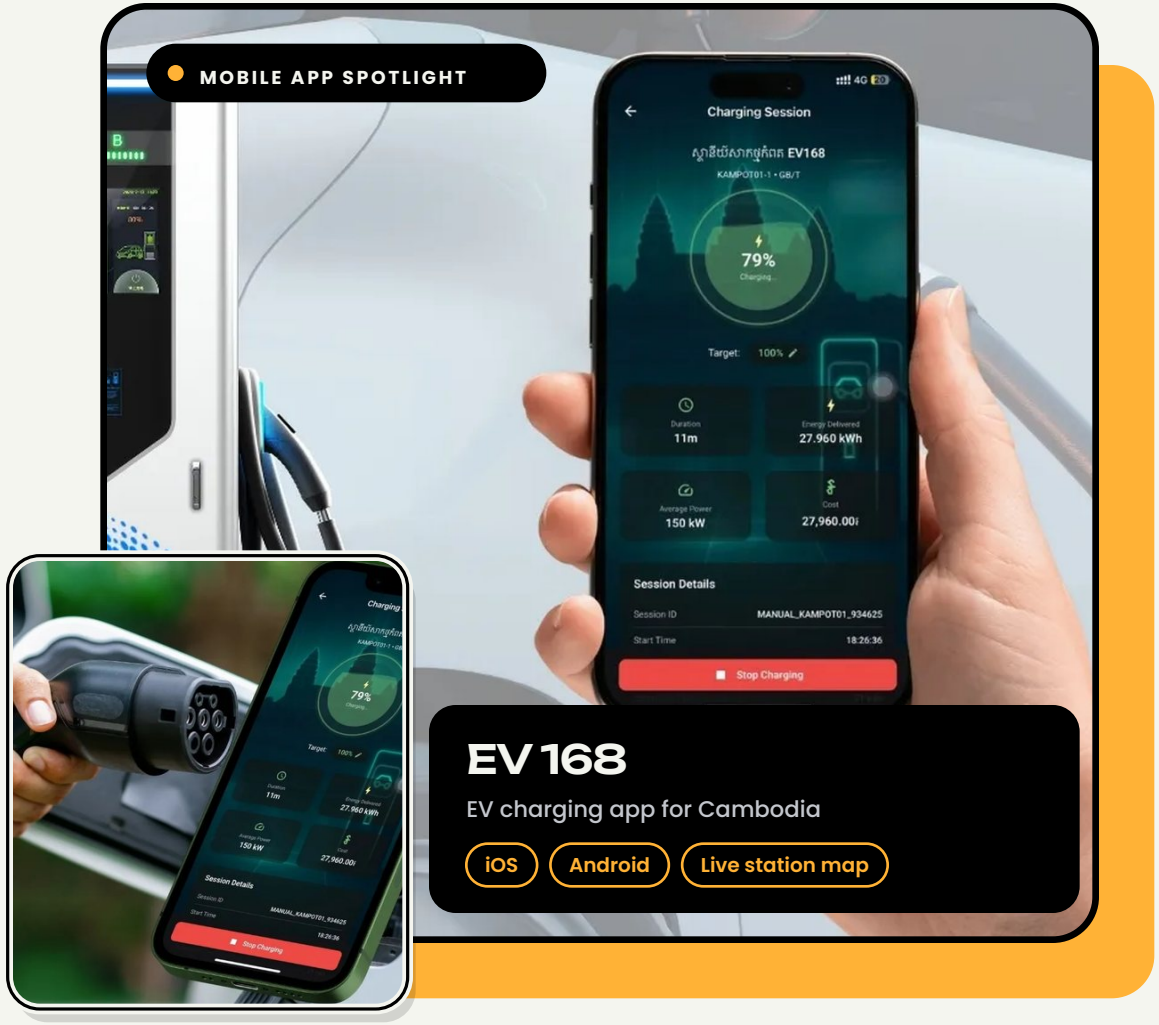
WEBSITES WE HAVE BUILT

Inside: hotels, tours, schools, energy and retail

One team for your entire online presence

A web and mobile studio in Siem Reap and Phnom Penh. Since 2005 we have helped guesthouses, five-star hotels, schools and e-commerce brands launch and grow online: domain, hosting, design, build and support from one accountable team.

Founded 2005 | Siem Reap | Hospitality specialists



To deliver innovative websites, mobile apps, domains and hosting that help every business serve its customers better.

Our vision

To be a leading provider of web and mobile solutions, known for products that truly meet customer needs.

Our values

Quality without compromise, affordable fixed prices and responsive remote support.

Two decades of results

21+
years building for the web

1,000+
businesses served

99
featured portfolio projects

5.0
rating across 34 client reviews

From small Siem Reap guesthouses to hotel groups, NGOs and e-commerce brands.

04 · WHAT WE DO

Our services

Everything your business needs online, under one roof.

D

Domains & Hosting

Cambodia & Singapore servers, domain registration, free SSL.

W

Website Development

CMS & WordPress sites and online stores built for speed and SEO.

M

Mobile Apps

iOS, Android and cross-platform, from idea to full product.

U

UI / UX Design

Interfaces designed around real user needs and behaviour.

S

WordPress Support

Broken, hacked or slow sites fixed, often the same day.

E

SEO & Marketing

SEO, SEM and email campaigns that bring guests and buyers.

Hospitality is our home ground

Born in Siem Reap, we have built hundreds of websites for hotels, resorts, villas and tour operators, backed by 16 years of hands-on experience inside the hotel industry, including five-star properties.

Direct bookings

Booking-engine ready sites that turn visitors into guests

Search visibility

SEO expertise since 2005, tuned for travel searches

Trusted by the industry

Hotels, lodges, villas and the Cambodia Hotel Association

A clear plan and a fixed price
